

Brigand Gauntlets

In-Game Description

Gauntlets donned by looting brigands.

This armor may appear shoddy, but is in fact a very functional piece of work, its materials meticulously crafted together.

Availability

- No-man's Wharf treasure chest, in the large building with the shortcut gate.
- Crescent Sickie Phantom drop.

General Information

Part of the Brigand Set.

Name	Physical Defense	Elemental Defense	Resistance	Poise	Durability	Weight	Attributes Required	Physical DEF Bonus
