

Deprived

Description

"Unclothed, origin unknown. Has nothing to fight with, except life-affirming flesh."

Deprived is a very unique class in that it starts at Level 1 with no equipment. It has a perfectly balanced spread of stats and can be used to make a versatile character very quickly. The lack of a starting weapon makes this class a bit tougher for beginners, so it is generally recommended for more experienced players. If you begin as Deprived, make sure to pick up the Dagger in Things Betwixt. From there, the weapons that you can use will be determined by which stats you choose to level.

Starting Equipment

- No weapons, shield, or magic
- Imported Set (unequipped by default)

Note that the Dagger, Broken Straight Sword, and Crimson Parma are easy to get and can be used with your stats.
