

Story

Prologue

*Perhaps you've seen it, maybe in a dream
A murky forgotten land*

*A place where souls
May mend your ailing mind*

*You will lose everything
Once branded*

*The Symbol of the curse
An augur of darkness*

*Your past, Your future.
Your very light*

*None will have meaning, and you won't even care
By then you'll be something other than human*

*A thing that feeds on souls
A Hollow*

*Long ago, in a walled off land, far to the north,
A great king built a great kingdom.*

*I believe they called it Drangleic,
Perhaps you're familiar.*

No, how could you be

*But one day, you will stand before its decrepit gate,
Without really knowing why...*
