

Dual Avelyn Bell Keeper

Description

The Avelyn is a weapon of ancient design that has been rediscovered and brought into the world once more, and this old fellow uses two of them! He wears the mask of the Manikin, as well. Could this be another puppet?¹

Location

Belfry Sol

He is located on the roof part of the area. When Bonfire Intensity is 2, there will be two of them.

Bonfire Intensity	HP	Souls
1 (NG)	1,000	900
2 (NG+)	1,850	1,800
8 (NG+7)	3,460	3,600

Equipment

- Avelyn (one per hand)
- Manikin Mask
- Manikin Top
- Manikin Gloves
- Manikin Boots

Drops

- Black Witch Domino Mask (very rare)

Notes

-
- Spawns only once per playthrough. He will respawn if a Bonfire Ascetic is used on the Belfry Sol bonfire in Belfry Sol.
 - Oddly enough, he never performs any power-stance Avelyn attack.
