Description

*Drangleic clerics in the service of the Prowling Magus. How and why they came to serve this evil being is as mysterious as the clerics themselves; it is uncertain whether they even retain their own consciousnesses or are merely extensions of the Magus' will.*¹

Location

Brightstone Cove Tseldora

Two are members of the Congregation.

Attacks

Congregation Members

- Lightning Spear: while it looks exactly like the weakest type of Lightning Spear, it is actually quite powerful.
- A self-buff that boosts the caster's defenses.
- A large AoE healing spell which replenishes a great amount of health to self and all nearby allies.

Black Phantom

- A lightning sphere which causes little damage but heavy knock-down effect.
- A self-buff that boosts the caster's defenses.
