Notes

- Using a Bonfire Ascetic on the Ironhearth Hall bonfire in Iron Keep will respawn him.
- Only appears in *Dark Souls II: Scholar of the First Sin*.
- Since Oliver the Collector uses the Majestic Greatsword in his left hand, assuming he is left-handed, Oliver is able to wield the Smelter Hammer in his weak hand, effectively making him one of the strongest beings in *Dark Souls II: Scholar of the First Sin* from a

lore perspective.
