

# Petrifying Statue Cluster

|  |
|--|
|  |
|  |

## Description

A lizard with a set of statues on its back that shoot petrifying darts at nearby players.

## Location

### Cave of the Dead

In the lower cave on the way to the Afflicted Graverobber, Ancient Soldier Varg & Cerah the Old Explorer boss fight.

| Bonfire Intensity | Health | Souls |
|-------------------|--------|-------|
| 1                 | 400    | 650   |
| 2                 | 470    | 1,300 |
| 8                 | 900    | 2,600 |

## Drops

- Twinkling Titanite (uncommon)
- Promised Walk of Peace (very rare)
- Lightning Clutch Ring (very rare)
- Human Effigy (very rare)
- Triclops Snake Troches

## Strategies

- The statues themselves are indestructible, but the underlying creature can be damaged with a 'striking' type weapons, arrows, and spells or items with splash damage (such as Firebombs).

- With the right positioning, whips are easily able to hit the creatures.
- It seems to be easier to land a hit when striking their legs or behind from an angle.

## Resistance

---

- High Lightning Resistance
  - Medium Magic Resistance
  - Average Fire and Dark Resistance
-
