

# Rampart Golem

## General

*The golems were charged with the containment of the creatures of chaos within the boundaries of the wall.*

*When the doors of Eleum Loyce were flung open, the place turned frigid and lifeless, but the golems remained dutifully on guard.<sup>1</sup>*

## Strategies

- Can easily be backstabbed repeatedly; dodge their lance charge.
  - Will estus when injured.
  - Will throw their lance at long range.
  - They can execute a powerful frontal critical attack, skewering the player with the lance.
  - their IA/aggro range seem different from one NG to another, so be careful when fighting.
