## General

*Long ago, the retainers attended to the priestesses, but with them gone, the retainers were left to wander frigid Eleum Loyce without purpose.*<sup>1</sup>

| Bonfire Intensity | HP    | Souls |

- They will remain idle until Alsanna reverts the snowstorm.
- Their attacks go through shields completely.
- Their attacks will also always stagger you for about a half of a second.
- If not dealt with, the sword wielding ones will attempt to backstab you.
- Their death scream attracts nearby enemies.

## Strategies

- You should deal with them on sight, as they will remain passive until you walk past them, and will often take you by surprise while you're preoccupied with other enemies.
  - do NOT use a running stab attack with a katana, they somehow can backstab you during the attack
