

Undead Citizen

aka Rupturing Hollow

Description

These Undead Citizens have been gathered up and exiled to the distant prison. For many their only crime was showing signs of the "Curse." But before you decry this injustice, face them in battle and see what horrors they are capable of...

Former citizens of Drangleic who were the victims of Lord Aldia's experiments. Their bodies are horribly disfigured as a result of the unspeakable procedures to which they were subjected, their life forces now sustained by unstable and highly-volatile Souls.¹

Attacks

There are four kinds of Undead Citizens. You'll know they are near when you hear chains clinking in the distance.

- **Undead Citizen (Black Core):**

Attacks: Punch, jumps towards you, falling on the floor and causing an explosion. This will not kill the enemy.

- **Undead Citizen (Yellow Core):**

Attacks: Punch, jumps towards you and explodes. Explosion will be yellow and raise your petrification bar but does lower damage.

- **Undead Citizen (Brown Core):**

Attacks: Punch, jumps towards you and explodes. Explosion will be greenish orange and damages the durability of your equipment.

- **Undead Citizen (Red Core):**

Attacks: Punch, jumps towards you and explodes. Explosion will be fiery, more damaging and the Hollow will die.
