

Undead Prisoner

aka Abandoned Hollow

Description

*No chains or shackles hold these poor souls.
The curse of hollowing that all undead
endure: endless death, each re-awakening
less aware of whom one was before death,
imprisons them in an endless cycle until
madness takes hold. So have they been named as such.*

Unarmed green-skinned hollows that are very similar to the Captive Undead, but with more health.

Location

Grave of Saints

Bonfire Intensity	HP	Souls
1	~240	60
