

Vengarl's Body

aka Headless Vengarl

Description

The missing body of Head of Vengarl. He dual wields the Red Rust Sword and the Red Rust Scimitar.

Location

Lord's Private Chamber

He guards the Primal Bonfire reached after the Duke's Dear Freja boss fight. Only in *Dark Souls II*.

Shaded Woods

Located where the Golden Lion Warrior previously was, blocked on either side by petrified Lion Warriors. Only in *Dark Souls II: Scholar of the First Sin*.

Bonfire Intensity	Health	Souls
1	1,375	8,000
2	2,300	16,000
8	7,120	32,000

Resistance

- Medium Fire, Magic, Lightning and Dark Resistance

Drops

- Vengarl's Armor
- Vengarl's Gloves
- Vengarl's Boots

The drops are guaranteed.

Strategies

- Try ranged weapons or poison if you have trouble with him.
- He has very poor turning and tends to be locked in a direction when he attacks. Finding opportunities to backstab him should be easy.

Notes

- After defeating him, Head of Vengarl will sell the Red Rust Sword, Red Rust Scimitar and Red Rust Shield and he will be summonable as an NPC phantom.
- Though he is much larger than most other humanoid enemies in the game, he can still be backstabbed. He can be parried and riposted as well.
