

Wall Watchman

Description

Human knights guarding the ramparts. They are invisible until you find the Eye of the Priestess.

Equipment

- Elite Knight Set / Drakekeeper's Warpick / Heavy Crossbow / Llewellyn Shield
- Elite Knight Set / Greatsword / Heavy Crossbow / Rebel's Greatshield
- Knight Set / Drakekeeper's Sword / Heavy Crossbow / Llewellyn Shield

Location

Frozen Eleum Loyce

Found on the rampart past the Abandoned Dwelling bonfire, and near the Priestess' body.

Drops

- Divine Blessing (all three)
- Elite Knight Set (Drakekeeper's Warpick wielding, Greatsword wielding)
- Knight Set (Drakekeeper's Sword wielding)

Strategies

- Obtaining the Eye of the Priestess will make fighting them much easier. Without the Eye, they are so transparent as to be nearly invisible, especially while the snow is blowing.
- Without the Eye, the same strategies as for fighting Forest Guardians apply.
- Using a weapon with a high Poise Damage value to stagger them is effective, as is using attacks that knock them down.
- They do not respawn.
