

Destructive Greatarrow

In-Game Description

*Greatarrows with intricately crafted tips.
Designed to destroy equipment with impact.*

Bravery does not necessarily entail going head-on with a foe, especially if they have better armor than you. Use these arrows, and grind them down from afar.

Use

Greatarrows that deal extra damage to equipment durability in addition to regular damage. Equip to an arrow slot in the Equipment Menu to fire with a Greatbow.

Durability Damage

Deals 2 durability damage to shields on block. (Tested using Alonne Greatbow against Blossom Kite Shield)
