In Game Description

*A stone containing the strength of dragons.
Transforms the head into that of a
fire-breathing dragon, an effect that will remain until death.*

*The zealots who sought everlasting life are said
to have conducted rites to imbue stones with the
strength of dragons, but there are no records confirming their success.*

Use

- Equips the Black Dragon Helm. This helm cannot be unequipped and lasts until death.
- After your head is transformed, using the Dragon Head Stone from your quick access bar will make you spew gouts of dragon fire at the cost of stamina. The Use button can be held down to increase the duration of the attack.
- Infinite uses.

Availability

Reward for reaching Rank 1 in the Dragon Remnants covenant.
