

Flame Butterfly

In-Game Description

*Bottle filled with dried red butterflies.
Stimulation of these rare butterflies creates a small flame, allowing torches to be lit on the go.*

These butterflies exude secretions which ignite upon exposure to air, protecting them from natural predators. Known and loved as handy fire-lighters, but feared as the catalysts of disastrous fires when found in swarms.

Use

Light torch autonomously.

Availability

Where to Buy

| Merchant Sold By | Price | Stock |
|---------------------|-----------|-------|
| Weaponsmith Ornifex | 600 souls | ∞ |

Chest and Corpse Locations

- One behind two poison-filled jars in No-Man's Wharf, along with 7 Throwing Knives.
- Two in the room with the door that requires the Antiquated Key in the Lost Bastille.
- Three on top of the roof near the trapped well in the Lost Bastille.
- One on a corpse on top of the wall in the Lost Bastille, along with a Torch. Accessible by two illusory walls in the same tower where Straid of Olaphis is.
- Two in the hut along the path leading to the Skeleton Lords
- Three near the shortcut gate in the skeleton cave in Huntsman's Copse.

- Five after the Smelter Demon in Iron Keep, in a metal chest along with the Porcine Shield.
- One on a corpse in the open area with Lion Clan Warriors in Shaded Woods.
- One is inside the Scorpioness Najka boss room on top of a dead tree. To get it, bait her to attack the tree.
- One in the room where Weaponsmith Ornifex is in Brightstone Cove Tseldora.
- Two can be found inside a pot in the Gutter.
- Ten in Drangleic Castle, in the room with the Estus Flask Shard chest.
- One on a branch in Shrine of Amana, along with a Twinkling Titanite: to obtain it, break the branch and collect the item from the water.

Enemy Drops

- Dropped by Undead Citizens in Grave of Saints and the Gutter. (uncommon)
 - Dropped by Undead Peasants in Brightstone Cove Tseldora. (common)
 - Dropped by Rogues in Huntsman's Copse. (common)
-
