

Heavy Bolt

In-Game Description

*Standard crossbow bolts made of iron.
Their weight makes them unsuitable for carrying in bulk, but they excel at piercing through foes.*

To use, equip a crossbow, then equip bolts to a belt slot.

Use

Standard bolts that deal good damage.
Equip to a bolt slot in the Equipment Menu to fire with a Crossbow.

Availability

Where to Buy

Merchant Sold By	Price	Stock
Blacksmith Lenigrast	50 souls	50
Steady Hand McDuff	50 souls	∞

Chest and Corpse Locations

- 30 can be found when entering the fort part of the Forest of Fallen Giants after the Heide Knight, in the room with two Hollow Infantry; the bolts are behind a breakable bookshelf (Bonfire Intensity 2+ only).
- 10 in a wooden chest in the room with Steady Hand McDuff in the Lost Bastille.
- 15 in a metal chest after a group of Manikins before the Covetous Demon boss fight in Earthen Peak. The chest also contains a +3 Heavy Crossbow.

- 20 in a trapped chest before the Prowling Magus & Congregation boss fight in Brightstone Cove Tseldora. (replaced by 20 Magic Bolts on Bonfire Intensity 2+)
- 15 in the metal chest with Avelyn in Undead Crypt, behind an illusory wall shortly before the Nameless Usurper invasion location.
