

# Hexing Urn

## In-Game Description

Hexed black lacquer urn.  
Explodes, inflicting dark damage.

With the dark art of hexing strictly forbidden,  
who would dare fill an urn with such power?  
The very origins of the art are unclear,  
yet another reason hexing is feared.

## Use

Explodes, inflicting Dark damage.  
Base damage from a direct hit is:  $200 + 1.3 \times \text{Dark Bonus}$

## Availability

- Unlimited sold by Titchy Gren for 350 souls each
- Ten found up the ladder after the first poison mist in Harvest Valley
