

Lightning Urn

In-Game Description

*A small clay urn enwreathed in lightning.
Explodes, inflicting lightning damage.*

*Created in Melfia, a land that flourishes
with magic and pyromancy.
Though the lightning contained in the urn
lacks potency, it is a boon to any
inexperienced traveler.*

Use

Explodes, inflicting Lightning damage.
Base damage from a direct hit is: $200 + 1.3 \times \text{Lightning Bonus}$

Availability

- Unlimited sold by Head of Vengarl for 400 souls each
- Four on a body in the room above the Lower Brightstone Cove bonfire in Brightstone Cove Tseladora
- Five on a corpse in the first DLC, just ahead after Photoshop Jump, behind some stairs
