# Rusted Coin

## In-Game Description

*An old rusted coin.*
*Crushing the coin temporarily boosts luck.*

*This rusted coin gives you that little extra*
*bit of luck, making items and the like*
*easier to find.*

*The coin is engraved with the image of a god*
*that was worshiped in ancient times,*
*but no one knows its true origins.*

## Use

- Boosts Item Discovery for five minutes.
  - Increases item drop rate by 1% (stated by the Strategy Guide).

## Availability

### Where to Buy

| Merchant Sold By | Price | Stock |
| --- | --- | --- |
| Magerold of Lanafir | 900 souls | 5 |

### Chest and Corpse Locations

- One on a corpse in Things Betwixt before the Firekeeper's house (five at Bonfire Intensity 2+).
- One in a metal chest in the brick tunnel on the way to Forest of Fallen Giants.

- One on a corpse behind an illusory wall in the arena where you fight the Ruin Sentinels in the Lost Bastille.
- Ten found in a trapped wooden chest in Brightstone Cove Tseldora. Requires Tseldora Den Key.
- Ten on a corpse in the elevator room under the Priestess' Chamber bonfire in Shulva, Sanctum City.
- Three on a corpse in the first room filled with Alonne Knights, in the Memory of the Old Iron King.

## Enemy Drops

- Dropped by Bell Keepers in Belfry Luna and Belfry Sol. (common)

## Other Sources

- Five given by the Belfry Guard in either Belfry Luna or Belfry Sol if talked to after joining the Bell Keepers.
- One dropped by the Belfry Guard upon killing him.
