

Small Smooth & Silky Stone

In-Game Description

A smooth and silky stone.

Use to slightly restore HP.

*The shine of this stone is no ordinary polish,
and can only be achieved over a long period.
Some in this land are in search of such stones.*

Use

- Trade with Dyna and Tillo in Things Betwixt for a random item.
- Consume to restore 10% of your max HP over 3 seconds.

Availability

Chest and Corpse Locations

- One found in Things Betwixt, on a corpse under the waterfall. (replaced by three Smooth & Silky Stones at Bonfire Intensity 2+)
- Three on a ledge near the Pharros Contraption in No-Man's Wharf.
- Two on different corpses in the first poison mist in Harvest Valley.
- One on a corpse in the room with many poison jars and a Mimic in Earthen Peak.
- Five in a wooden chest behind a door at the beginning of Memory of Vammar.
- One in Bastille, Attack far wall after second Pursuer fight.

Enemy Drops

- Dropped by Undead Steelworkers in Earthen Peak. (uncommon)
- Dropped by Undead Peasants in Brightstone Cove Tseldora. (uncommon)

Other Sources

- Ten are received when Rank 1 is reached in the Rat King Covenant.
