

Smelter Demon Soul

In Game Description

Soul of the Smelter Demon, that haunts the castle that sunk into a pool of iron.

*The Old Iron King's life was taken by a mass of iron that had been given a soul.
Was this metal goliath here from the beginning, or as it a product of the king's conceit?.*

Use the special soul of the Smelter Demon to acquire numerous souls, or to create something of great worth
