

Smooth & Silky Stone

In-Game Description

A perfectly smooth and silky stone.

Use to restore HP.

*The shine of this stone is no ordinary polish,
and can only be achieved over a long period.
Some in this land are in search of such
mystical stones.*

Use

- Trade with Dyna and Tillo in Things Betwixt.
- Consume to restore 20% of your max HP over 3 seconds.

Availability

Chest and Corpse Locations

- Three found in Things Betwixt, under the waterfall between the bridge and the Old Firekeepers house (Bonfire Intensity 2+).
- One on a corpse before the Lost Sinner in Sinner's Rise, in the room on the right where the Torch is used to light up the boss arena. Requires Bastille Key.
- One behind the boards that the nearby Mounted Overseer can destroy after the second bonfire of Harvest Valley.
- Three in a metal chest in the cave connecting the first and second sections of Shrine of Amana. The chest also contains a Twinkling Titanite.
- Five on a corpse at the beginning of the Memory of the Old Iron King.

Enemy Drops
