In-Game Description

Soul of Nashandra, Queen of Drangleic.

*The fragments of the abyss, of untold origin,
nourished their beings by the sides of would-be
monarchs. Perhaps they were simply ordeals
on the road to kingdom.*

*One day, the flames will fade, and only darkness
will remain. Unless, of course, an heir arrives.*

*Use the special soul of this prisoner of desire
to acquire numerous souls,
or to create something of great worth.*
