

Soul of Sinh, the Slumbering Dragon

In-Game Description

Soul of Sinh the Dragon, who sleeps in the lowermost depths of this land.

The King erected a magnificent city, and the dragon slept soundly. Until Sir Yorgh disturbed it with a single great strike, and the dragon could bear its store of poison no longer.

The rain of death toppled the city, but restored the dragon's purity.

The wondrous soul of this dragon can be used to acquire numerous souls, or to create something of great worth.
