Walkthrough

Undead Purgatory Map (Japanese)

1. You enter this area from Huntsman's Copse as you get across an old wooden bridge. Watch out, the bridge has many holes in it.
2. Deal with the Greatsword Phantom.
3. Jump to your right to pick up a Fire Seed and some Sublime Bone Dust from a body. Enter the fog gate to start the Executioner's Chariot boss fight.
4. After the boss is defeated, collect the items from the ground if you didn't do so during the fight. Most of them are Fading Souls, but at the end is a Soul of a Brave Warrior.
5. Go up the stairs near the end of the circular arena. You can walk on a very thin ledge to reach a shelf above the stairs. There is a body with two Cracked Red Eye Orbs.
6. Now you are in the abode of the Brotherhood of Blood. If you have a Token of Spite, you can talk with Titchy Gren to join the covenant.

Notes

- This place is similar to Cathedral of Blue in its design: it's a small area with a boss fight and a covenant leader.
 - Bonfire Ascetic affects pathway leading to Undead Purgatory from Huntsman's Copse.
