

Splintering Lightning Spear

In-Game Description

*Developed from a primal miracle.
Launch splintering spears of lightning.*

*Ever since miracles came to be, learned
men have endeavored to rework and remold
them to their satisfaction.
This is one such effort.*

Use

Shoots a Lightning Spear above the target, creating a concentrated circle of lightning projectile rain.

Availability

In a chest on top of a tower in Frozen Eleum Loyce. The ladder leading up to it will be visible after you have acquired Eye of the Priestess and can be seen from the Outer Wall bonfire (just to the right of the ice), You can still climb up the ladder while it's invisible.

Notes

- The casting animation looks very similar to the one of the Lightning Spear.
 - The lightning rain is very similar to the one of Heavenly Thunder
 - Very slow casting speed; Not useful as an offensive spell, more of a support spell.
 - Only hits once despite the amount of lightning spears it produces.
