- **First encounter in Belfry Luna**

Undead! Undead!

Keep your hands off our bell, the great Bell of Alken!

The bell belongs! To the Princess, it do!

Stay back, or we slice! Slice you to bits! Me and my chums, we shan't be miffed!

Stay back, or you're pieces! Tiniest pieces! Hah hah hah hah!

- **Talking again after first encounter in Belfry Luna**

A long, long, long time ago, the Princess, she made me, yes, just like so!

To guard this bell! For the prince's honour!

Stay away, foul Undead, or you'll be a goner! Hah hah hah hah!

Stay back! It belongs, to the Princess, it do!

Mwah hah hah, ooh hoo hoo!

- **Request to join covenant in Belfry Luna**

Hah hah hah, ooh hoo hoo!

You wish to guard the bell, you do?

For the Prince, and the Princess, forever, for true?

- **Answer "yes"**

Hah hah, heh! Here, for you!

When you're 'round the bell, you'll be brought near!

When the bell is in trouble, the ring brings you here!

Slice 'em to shreds, whoever they are! Wherever, whoever, be they near, be they far!

Slice 'em to pieces! For the Princess!

Hah hah hah! Oh, ah, hoo...

Bwah hah hah hah!

- **Answer "no"**

Gah hah hah hah hah!

Useless fool! Filthy Undead!

Be gone, right now, or it's off with your head! Ah hah hah hah!

- **Talking while a member of the covenant in Belfry Luna**

Ah hah hah! The Princess made me! To guard the Bell of Alken!

In Alken! The bell! Of the princess! In Venn! The bell! Of the prince, yes!

Tear 'em to shreds, tear 'em to bits! Gather around, and ring the bell swift!

We've been ringing this bell forever, we have! Ah hah hah hah!
