General Information

A White Phantom for the Sir Alonne and Smelter Demon boss fights. In *Dark Souls II: Scholar of the First Sin*, he can also be summoned to assist player in the Belfry Sol: his summon sign is to the right after the firs fog gate.

Equipment

- Stone Twinblade
- Stone Parma
- Prisoner's Hood
- Creighton's Chainmail
- Engraved Gauntlets
- Faraam Boots

Notes

- Uses the Hello Carving when summoned, and either the Very Good or Thank You carving after the boss is defeated.
- both him and Steel Willed Lorrie seem to not have the appropriate stats to wield their respective weapons, as they both do very minimal damage.
- Due to the fact that both him and Steel Willed Lorrie both do minimal damage and can only tank/distract, it is recommended that you do not summon them.
