

Griant

Description

A retired Firekeeper residing in the dimensional rift with her sisters, Strowen and Morrel, and their Housekeeper Milibeth.

Like Morrel, she is disinclined to initiate conversations and tends to prefer throwing in her two cents while her somewhat more outgoing sister Strowen is speaking to their many visitors.

Much like her sister Morrel, Griant participates in the initial series of cutscenes but serves no other function and has no items to give.

Location

Things Betwixt

Found in the hut next to the Fire Keepers' Dwelling bonfire.

Notes

- Upon killing Housekeeper Milibeth, the Old Firekeepers will no longer speak to you.
- If you attack any one of the Old Firekeepers, Housekeeper Milibeth will aggro you.
- Though otherwise indistinguishable from Morrel in-game, Griant is the one found sitting next to Strowen at the table.
