

Lonesome Gavlan

Description

A traveling Gyrm merchant with a short stature and huge beard.

Location

No-man's Wharf

Dark Souls II: Found upstairs in a building far up in the wharf with many Dark Stalkers. He appears here first and will leave after being visited here to go to Harvest Valley.
Dark Souls II: Scholar of the First Sin: In the room next to the movable portcullis, where you can summon Lucatiel of Mirrah.

If you kill him there, a gravestone will be at his place. With 3,500 Souls you can call his ghost and trade with him.

Harvest Valley

Found in a small room on the left side of the dug out burrow, beside the first encountered Mounted Overseer near the Poison Pool bonfire. He will leave after being visited here to go to Doors of Pharros.

Doors of Pharros

He will stay here permanently. He is found in the room, up the stairs outside of the Gyrm's Respite bonfire. His stock of items is unlimited here.
