Description

The three old women Strowen, Morrel and Griant can be found in Things Betwixt.

The retired Firekeepers are the first NPCs encountered after starting a New Game. Entering their home automatically triggers the Character Creation event and restores your Humanity via a Human Effigy by Strowen during the cutscene.

If you return here in possession of a Soul Vessel and speak with Strowen, she will use it to help you reallocate your character's Soul Levels.

Location

- Things Betwixt

Loot

- Strowen drops Human Effigy (x6)

Notes

- Upon killing Housekeeper Milibeth, the Old Firekeepers will no longer speak to you.
- If you attack the Firekeepers, Housekeeper Milibeth will attack you.
- Human Effigy (x6) given by Strowen once you've obtained the King's Ring.

Dialogue

Hah hah hah...

...

*You must go, on a journey without rest.

But if your will is yet unbroken, then you may return here.
To start again, with a clean slate... Heh heh...*

Now, go along, go along... Heh heh...
