Description

A White Phantom, and a powerful sorcerer with unusually pious garb, locked up in the Bastille and forgotten. She clearly expired in her cell untold years ago, but could she have been involved at the Shrine of Amana prior to the collapse of all order?

Location

The Lost Bastille

In an open cell on the right side of the hallway just before the Ruin Sentinels fog wall.

Only available in *Dark Souls II: Scholar of the First Sin*.

Drangleic Castle

Right next to the Dragonriders fog wall.

Equipment

- Staff of Amana
- Priest's Chime
- Lion Warrior Helm
- White Hollow Mage Robe
- Creighton's Chain Gloves
- Rogue Leggings

She uses a variety of high-level sorceries, from Soul Spears to different Soul Arrows. She doesn't appear to cast any miracles.
