General Information

A White Phantom for the Sir Alonne and Smelter Demon boss fights.

Location

Memory of the Old Iron King

Found in the first room of the memory.

Iron Passage

Found in the summoning room after the Iron Hallway Entrance bonfire.

Equipment

- Mastodon Set
- Mastodon Greatsword
- Mastodon Greatshield

Notes

- She will do the *Welcome* gesture when summoned, *Joy* gesture after the boss is defeated.
 - Both her and Drifter Swordsman Aidel seem to not have the appropriate stats to wield their respective weapons, as they both do very minimal damage.
 - Due to the fact that both her and Drifter Swordsman Aidel both do minimal damage and can only tank/distract, it is recommended that you do not summon them.
