

Dexterity

In-Game Description

Attribute required to wield weapons requiring finesse. Also boosts attack.

Use

- Meets Dexterity requirements for equipment.
- Increases Physical ATK: Dexterity which modifiers damage on weapons with Dexterity scaling.
 - See this spreadsheet for how ATK bonuses are converted to damage for each weapon's scaling.
- One of 4 stats that increase Physical DEF.
- Increases Poison ATK bonus.
- Increases Bleed ATK bonus.
- Slightly raises HP.

Dexterity Requirements

Equipment listed here are only the ones that needs more than 5 points of Dexterity, because the lowest Dexterity you can get is 5 (by choosing Cleric as a starting class).
