

# Soul Memory

## In-Game Description

---

*Souls that once dwelled within the flesh will always remain in memory.  
Could this be a blessing? Or a curse?*

## General Information

---

The total accumulation of all your souls that you have collected so far. This is displayed in the top right of your Player Status screen.

It is used for matchmaking purposes, where players within a certain Soul Memory range of each other can be paired.

For more information, consult the [Online Matchmaking](#) and [co-op](#) pages.
