

Old Knight Pike

In-Game Description

An undated pike.

Wielded by a warrior from a time so ancient that there exists no record of his endeavors. Has extremely low durability.

Sometimes, just as a thing falls to pieces, it unleashes its last flash of great power...

Availability

Harvest Valley treasure. From the The Mines bonfire go to the right in to the open area. From there go left and follow the passage that goes slightly upwards. Follow that path until you stand in front of a wall made out of planks. Behind there is an enemy that will smash the wall if you attack it. Behind that enemy there is a similar wall. You have to use him and bait him into attacking you to smash that wall as well. There you find the item on one of the corpses.
