

Pate's Spear

In-Game Description

A long spear wielded by Pate.
This appears to be a very ordinary spear,
but seems to have accumulated power over
the course of countless battles.

It is not always advisable to stand out.
Especially if you have something to hide.

Availability

Acquired from Mild Mannered Pate by summoning him for the Last Giant fight (Note: you both have to survive), then talk to him at his location in Earthen Peak or by killing him.

*The one-handed backstep attack is **not the same as the running attack, it is the standard spear quick thrust.

Notes

- Essentially a Winged Pike that eats precious Twinkling Titanite. Lighter and less stamina-intensive, but depends on Dexterity to perform.
- The astounding base damage is compensated by the highest Dexterity requirements of any spear.
- Noticeably longer than the usual spears, but still a bit shorter than the actual Pike.
- Boosting it with an enchantment makes it potentially the most damaging spear in the game.
