## Availability

### Dark Souls 2 & Scholar of the First Sin:

- Brightstone Cove Tseldora treasure. To obtain this weapon you'll have to get an Undead Boar to follow you from the Royal Army Campsite bonfire all the way to the second cathedral just before the dark cave full of spider webs. In the middle of the cathedral there will be a patch of mushrooms that the boar can eat. At this point the boar will de-aggro and start eating them, after it finishes eating the mushrooms the weapon will appear on the ground.

Also keep in mind that your character gains a 100% bonus to Strength by wielding a weapon with both hands, thus reducing the actual Strength required. For example, a character with 14 Strength can wield a Great Club (Requires 28 Strength) properly if the weapon is held with both hands. (14 x 2 = 28)</p>
