

Pilgrim's Spontoon

In-Game Description

*Spontoon used by warriors on pilgrimage.
Rather worn from the long journey
it has doubtless seen.*

*A spear which also doubles as
a catalyst for sorceries, making it an
ideal choice for light-footed pilgrims.*

Effect: use sorcery (strong attack)

Availability

Brume Tower treasure. From the Upper Floor bonfire head into the main room with the moving platforms and go right to the moving platform (across the gap is a room with four doors and an Iron Warrior).

Ride the platform down, while facing the wall and looking right. At the very bottom of the platforms movement is a small ledge with a short hallway, jump into it to find the weapon in a metal chest.

Notes

- Can be used as a Staff. Using the strong attack will cast Sorceries or staff based Hexes.
- Enchanting Pilgrim's Spontoon with Magic Weapon/Great Magic Weapon/Crystal Magic Weapon increases its Magic Damage, which also increases the damage of Sorceries cast with it.
 - The same is true for Dark Weapon/Resonant Weapon: enchanting it with either spell increases its Dark Damage, as well as the damage of Hexes cast with it.
- It uses more stamina to cast than other Spell Tools, probably due to casts counting as a "strong attack".
- Like all weapons in the left hand, stamina consumption is higher compared to swings on the right hand. However, unlike staves, the Pilgrim's Spontoon also loses damage on both swings and casts if wielded left-handed.
- The Pilgrim's Spontoon can be powerstanced, but strong attacking with the left weapon won't cast a spell, it will just use the powerstanced strong attack.
- Despite being classified as a 'spear' it is actually closer to being a spell tool as it can only be infused with Magic and Dark.
- Spells will benefit from the counter damage bonus. This makes it potentially the most powerful catalyst, but its usefulness is offset by its high stat requirements.
- The normal spear thrusting attacks can benefit from the Old Leo Ring during counters, despite being purely elemental damage. Old Leo Ring does not affect any spells cast from the weapon, however.
